

Lecture 1 Monday 16th Sept. 3pm

### **Introduction**

- Syllabus
- Lecture/Tutorial plan

### **Tutorials:**

- Begin with me going through the main concepts to get you started.
- Students complete the questions – I'm available for Q&A, working example out on the white board.
- Upload tutorial work using Office Lens – no marks unless attendance is recorded, and work is uploaded.
- Complete quiz based on tutorial work – summative and formative quizzes throughout the semester.
- If students are not progressing through tutorial work/quizzes, I will follow up with you individually to get you back on track 😊

### **Assessment:**

#### **CA:**

Weekly Tutorial work 10% + Quiz(zes) 30%

#### **Exam:**

End of Semester Exam 60%
