Time Management - tips!

Exam time 120 mins

Q1: 35 mins

Q2: 35 mins

Q3: 20 mins

Q4: 20 mins

110 mins

- Leaves 5 mins to read the paper at the beginning and 5 mins to check your answers.
- Be sure to bring a ruler, pencil and rubber to the exam. Ensure that your diagrams and writing are legible. Messy diagrams loose marks. If I can't read your writing I can't give you the marks. If you are not sure as to whether your writing is legible use block capitals.
- Clearly mark your questions. Its best to use a different colour pen for this. Don't forget, the easier it is for me to find your answers, the easier it is for me to give you the marks.
- Needless to say - YOU CAN NOT BRING ANY NOTES WITH YOU INTO THE EXAM HALL
